# ABOUT THE WRITER: ROGER BEAN

Roger Bean was born March 20, 1962, to Ron and Lois Bean and was raised in Seattle along with his three siblings. He grew up as part of a family who loved music and the arts. When he was eight, his mother took him to drama school, where "the theatre grabbed him," she once said. "I think he knew deep down since he was little what he wanted to do." He credits his mother for his musical talent and the primary influence on his career choice.

Bean created the smash off-Broadway hit *The Marvelous Wonderettes* (over 1,200 performances Off-Broadway), along with the sequels *Wonderettes: Caps & Gowns*, *Winter Wonderettes*, *Wonderettes: Dream On*, and the large-cast *Wonderettes: Glee Club Edition*. The original Los Angeles production of *The Marvelous Wonderettes* received the 2007 LA Ovation Award for Best Musical, and continues to be an audience favorite in regional and community theater companies throughout the country. Original cast albums for all *Wonderettes* shows are available from iTunes and Amazon. Mr. Bean's doo-wop hit musical *Sh-Boom! Life Could Be A Dream* had a record-breaking 12-month run in Los Angeles, receiving the Los Angeles Drama Critics Circle Award, the LA Weekly Theatre Award, and the Backstage Garland Award for Outstanding Musical. Bean is a member of The Dramatists Guild of America, the Alliance of Los Angeles Playwrights and the Stage Directors and Choreographers Society. He lives in Seattle and frequents the theatre. Cascades Theatre is so excited to bring Bean's writing to our stage.

# ***DIRECTOR'S NOTES***

I started this journey back in July when I first started hearing about this musical. "Oh, absolutely not," I insisted. A musical in December is not something most professional musicians/Music Directors would even consider. It's quite the literally the busiest time of our lives. I did agree, however, to direct the *Sneak Peek*. There was the hook. I so fell in love with this charming musical, partly thanks to the lovely actors who poured their hearts into the scene and two songs we did for the 10 minute sneak peek. Once the opportunity came around to direct it for the season, I couldn't resist. Three of the Four of the *Sneak Peek* performers auditioned, and they were still perfect for the roles. The 4th was the perfect addition. Their talent will be evident as they sing and dance their way into your hearts, as they have mine.

I am beyond grateful for the love they've poured into this work, the dedication, and beautiful spirits of each of these truly *Marvelous Wonderettes*. As circumstances made necessary, I eventually agreed to understudy and will step in for 2 performances during the run. It is a challenge, but ultimately I'm grateful that I can. I am also grateful for the respect, kindness and talents of the amazing crew involved at CTC, in supporting the vision, sharing their own creative gifts, and working so cooperatively.

Break a leg, *Wonderettes*! I'm ridiculously proud of each of you and grateful to have been on this magical journey with you. With love and gratitude.
